Self-Learning Material (SLM)
The self-instructional course study materials are accessible to all the enrolled students through the 'Moodle' platform. The credentials will be given to the enrolled students to avail the 'Moodle' facility. There are 18 papers consisting of foundation, core and optional papers in the course curriculum. Dedicated faculty of the Dept. and regular faculty of the Institute have contributed to developing study materials. The study materials have been compiled and edited by the dedicated faculty of the Department. To maintain the quality of the course, the study materials have been reviewed by outside subject experts.
