Terms and Conditions :

1. Before the supply, installation and commissioning of the leased line you are required to officially share the details of the technical inputs to verify the technical compliances of the institutes requirement in co-ordination with our System Manager - Shri. Anjani Kumar Mishra. You will provide inputs of deliverables such as number of Static/Public IP's, Redundancy, Download/Upload Bandwidth and Connectivity, terminal equipment's/Hardware viz. Modems/ Converter etc. Once these details are provided and verified by our System Manager, you will be officially communicated with regard to commencement of work by him.
2. The order is placed for 36 months. However, the performance shall be reviewed at the end of every 12 months and shall be continued for next 12 months on the satisfactory performance and adherence to the instructions received from System Manager, ICT Unit from time to time.
3. Director & Sr. Prof., IIPS, reserves the right to terminate/discontinue the services at any point of time giving one-month surrender notice, if the agreed terms and conditions is not met
4. In case of extension in the supply of service, the differential cost will be paid for the extended contract period.
5. All the price quoted are fixed on lump-sum basis, no escalation of cost will be allowed under any circumstances. GST @ 18% will be paid on submission of actual bill.
6. IIPS, Mumbai shall not pay separately any specific statutory taxes / service charges to any authority.
7. No hidden charges will be allowed, if any.

Contd..../-

Page 3.../-

Payment Conditions :

- 1) Payment will be made as per GoI norms i.e. 30% advance payment and 70% on satisfactory delivery/installation of the backup lease line after due certification by System Manager, IIPS, Mumbai.
- 2) Payment shall be made by PFMS transfer. You need to provide bank details for the transfer.
- 3) You will submit the bill which will be processed by the ICT Section. Payment will be released only after receiving successful work completion certificate by the System Manager, ICT, IIPS.
- 4) In case of any dispute arising out of this Work Order the decision of the Director & Sr. Professor, IIPS shall be final and binding on the supplier.

You are requested to kindly send us a formal acceptance of this Work Order.

Thanking you,

Yours faithfully,

27/4/24

Sub : Making provision of optical router with
1Gb port of single mode of 1310/1550nm
Ref : Lr.No.MTNL/1070/2010 dt 22/12/2010

Sir,

With reference to above, the details as desired are given below.

1. 75% of an amount of Rs.1,80,000/- for IIPs has been received from MHRD.
2. MTNL Mumbai has extended optical fibre connectivity upto your Server Room and optical router with 1Gb port of single mode of 1310/1550nm will be required to put through the connectivity to your existing Server. You are kindly requested to make an arrangement for the same.
3. The amount includes provision and maintenance cost of 1Gbps Optical fibre connectivity between University and NKN POP at Mumbai for 10 years. Typical network settings and other settings as required will be conveyed to you as soon as MTNL receives the same from NIC.

Thanking you,

Yours faithfully

D.O. No. F.18-28/2009-DL

12th February, 2010

Dear Sir / Madam,

Kindly refer to my letter No. 16-3/2009-DL, dated 21st August, 2009 [copy enclosed] regarding Optical Fibre Cable (OFC) based 1 Gbps connectivity to National Knowledge Network (NKN) Point of Presence (PoP) to all the bonafide Universities in the country under the National Mission on Education through ICT (NME-ICT) on a 75 : 25 cost sharing basis between the Central Govt. and the Universities concerned, which includes university level institutions. You would be glad to know that BSNL - MTNL combine has started the work in this regard. This is in addition to the already ongoing work of progressively providing 40 Mbps Broadband over Virtual Private Network (BB-VPN) to all the bonafide Colleges of the country through upto 20 individual connections over copper wire with ADSL modems on 75 : 25 cost sharing basis between the Central Govt and the respective Colleges. You are also aware that 25 % contribution of the University and the College has to be paid by them to the BSNL directly. As indicated earlier, the approximate one time upfront payment for each University works out to Rs. 50 lacs plus service tax for the connectivity for a 10 year period and Rs. 10 lacs plus service tax for setting up a Local Area Network (LAN) of 400 nodes, if required by the University. In case of Colleges, approximate quarterly payment works out to Rs. 6500/- only. BSNL on its part has agreed to provide 10% rebate on cost of connectivity.

2. As the connectivity is the key to delivery of e-contents and collaboration between institutions / academicians / experts / researchers, in order to fast track the roll out of connectivity to Universities and Colleges, I would request you kindly to expeditiously take the following steps:

(a) obtain required approvals for meeting the upfront payments to BSNL for the 1 Gbps link to NKN and for the LAN and to make adequate budget provision for the same.

(b) nominate a nodal officer whom BSNL / MTNL could contact for these works, and who, in turn, could co-ordinate these activities in the University on your behalf.

(c) identify a 10' x 10' room where the 1 Gbps connectivity could be provided and routers / switches for NKN connectivity and LAN could be placed.

D.O. No.NMEICT (MS)/1

New Delhi, the 3rd March, 2010

Dear Sir/Madam,

Kindly refer to Secretary, Department of Higher Education's D.O.Letter No.16-3/2009 dated 20th January, 2009 and my D.O.Letter No.16-3/2009 dated 21st August, 2009 addressed to VCs of universities/Principal Secretaries of Higher Education of States/Educational Institutions etc. (copies enclosed for ready reference) regarding operationalization of the National Mission on Education through Information & Communication Technology (NME-ICT).

As you are aware, details regarding this Mission are available on the web site <http://www.sakshat.ac.in>. The Mission of such a magnitude and its highly ambitious targets require active participation of all the stakeholders. Achievement of goals of the Mission could be facilitated by a set of guidelines for focused and time bound approach to specific activities and responsibilities assigned to each of the stakeholders. It is with this objective that the first set of guidelines have been prepared and are enclosed for your kind perusal and for initiating activities listed therein. The guidelines have also been uploaded on the above mentioned website for your ready reference. Suggestions for further refinement of these guidelines are most welcome.

I shall be grateful if activities enshrined in the guidelines could be initiated in your State/Institution for fully leveraging the opportunities available under NME-ICT. In case of any clarification or assistance for undertaking the Mission activities, kindly feel free to e-mail to me.

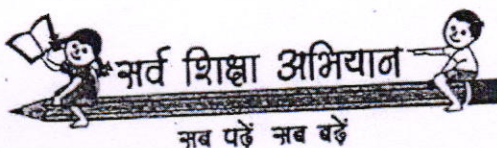

With regards,

Yours sincerely,

(N.K. Sinha)
