Sport's Week 2024: Table Tennis Feat

We've summarized the essential Table Tennis rules from ITTF right here to help you settle those garage or game disputes. This list is not exhaustive, but we have found that these ones are common points of contention among many players.

1. A match will begin with the referee conducting a coin-toss. The winner has the options to serve the ball first or choose the side of the table they'd like to play from.
2. Games are played to sets of 11 points
3. Alternate serves every two points (except "deuce")
4. Toss the ball straight up when serving
5. The serve can land anywhere in singles
6. A serve that touches the net on the way over is a "let"
7. Doubles serves must go right court to right court
8. Alternate hitting in a doubles rally
9. Volleys are not allowed
10. If your hit bounces back over the net by itself, it is your point
11. Touching the ball with your paddle hand is allowed
12. You may not touch the table with your non-paddle hand
13. An "edge" ball bouncing off the horizontal table top surface is good
14. Decision of referee is final. However, 'Honor System' applies to disagreements.

Demographers Premier League Participant Selection

Organizer's of the Demographers Premier League, wish to notify you of a crucial update regarding participant selection.

Priority slots for team selection will be granted to current affiliates of the IIPS, including students and staff. Alumni will have the opportunity to participate through a lucky draw if slots remain available after accommodating current IIPS members.

It's important to note that once the auction is done, no new player registrations will be entertained. We appreciate the overwhelming response for the men's team and seek your continued support. Additionally, we urge female participants and supporters to come forward and join the women's team.

Your understanding and cooperation are highly valued. We look forward to your continued enthusiasm for a successful tournament.

Best Regards,
DPL Organizer's
