

# Magic Bus Foundation Placement REPORT

(स्थापना / Established in 1956)  
बेहतर भविष्य के लिए क्षमता निर्माण  
Capacity Building for a Better Future

## Job Opportunity with Magic Bus Foundation.

This report provides an overview of the ground discussion and interview for job opportunity offered by Magic Bus Foundation in collaboration with the IIPS Placement Cell. The internship was aimed at students interested in three different types of Job opportunities that is sustainability, Human resources, and strategy and Research.

### Background:

The Magic Bus India Foundation is an NGO dedicated to helping adolescents and young people in India transition from childhood to livelihood. They focus on life skills education and employability training to empower youth to complete their secondary education and secure sustainable jobs. Their programs tackle poverty-related issues and aim to create sustainable livelihood opportunities for young people in underserved communities.

The foundation was established in 1999 by Matthew Specie, who noticed the positive impact of sports on the lives of adolescents. Since then, Magic Bus has expanded its reach and now includes a variety of sports, including football, cricket, and kabaddi, to teach life skills and inspire young people to aim higher **Special Acknowledgment:**

We extend our heartfelt gratitude to **Ms. Nalini Ayyalasomayajula**, the dedicated Placement Cell Officer, and **Dr. Dilip T.R. and Dr. Manas Pradhan**, the astute Coordinator of the Placement Cell, whose unwavering support and guidance paved the way for our participation in that Foundation.
