

**Placement Cell-
Activities**

2019-2021

1. In 2019- Two students got recruited as data analysts with Magic 9 Media and two others did internship with them.

2. In 2020- One student got recruited as data analyst with Parul University, and another got recruited by DigiVersal Consultants Pvt. Ltd.

3. In 2020- Population Council selected four students for paid internship.

4. Shortlisted students were also interviewed by Azim Premji Foundation, although the decision was not made.

5. We introduced IIT B spoken tutorial courses in 2020. Large number of students have shown interest in the IIT B spoken tutorial courses and we are constantly facilitating it. Students are now going through the course materials shared by the IIT_B and will appear for online test to be awarded the certificate.

6. Hosting **placement talk series and inviting experienced speakers. Six such talks are arranged in 2021.**

7. Creating the **placement brochures for MPhil, MA/ MSc, MBD and MPS students.**

8. IIPS has signed MOU with Hiration in 2021 for a product where students can solve multiple problems: live resume/CV building & reviewing, cover letter building, digital portfolio building, LinkedIn profile reviewing, interview preparation (WIP), career discovery (WIP) & more.

9. Creating an internship brochure for first year students of MA/ MSc, MBD and MPS students.

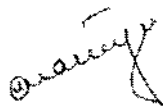

10. Regularly posting Job and PhD/Post Doc opportunities.

11. Interacting regularly on the **placement** cell LinkedIn account to expand network. Creating and updating list of organizations for the placement 2022

12. Conducted two sessions on how to avail student discounts on some popular online courses, applying for student discounts to various software companies and obtaining statistical packages for the students.
