

XXX NATIONAL SEMINAR

INTERNATIONAL INSTITUTE FOR POPULATION SCIENCES

CENTRE OF DEMOGRAPHY OF GENDER INTERNATIONAL INSTITUTE FOR POPULATION SCIENCES, MUMBAI

ARE PLEASED TO ANNOUNCE ONE-DAY

PRE-CONFERENCE WORKSHOP

**Theme: Reading Gender through
Data Lens**

DATE, TIME AND VENUE

**9:00 AM to 5.30 PM
On 16 December 2025**

**Hotel Gokulam Grand
Thiruvananthapuram (Kerala)**

CENTRE OF DEMOGRAPHY OF GENDER

The International Institute for Population Sciences has launched the 'Centre of Demography of Gender' within the Department of Population and Development on October 01, 2021. The Centre aims to carry out high-quality interdisciplinary teaching and empirical research on various aspects related to population, health, and development in India and abroad. A key mandate of the Centre is to develop gender related course curriculum which suits to the requirements of various stakeholders. Capacity building, through tailor-made short-term courses, is also an important agenda of the Centre. In addition, the Centre will act as a central data repository in India from where individuals, institutions or other stakeholders can access all data related to issues on gender. The Centre will also provide timely policy inputs to the central and state governments and local administrative bodies for formulation of appropriate policies and programs from time to time. The Centre also intends to bring together Indian and international experts working on gender and related issues at one platform for knowledge sharing and developing best practices related to teaching and research on gender. For more information about the Centre kindly visit below given link.

Faculty and Staff Member of Centre of Demography of Gender

Dr. Archana K. Roy (Head)
Dr. Srinivas Goli (Associate Head)
Dr. Sunil Sarode (Member)
Dr. Manas Ranjan Pradhan (Member)
Dr. Preeti Dhillon (Member)
Dr. Kunal Keshri (Member)
Dr. Archana (Senior Research Scientist)
Dr. Laeek Ahemad Siddiqui (Research Scientist)

OBJECTIVES

- The primary objective of the one-day workshop is to enhance the empirical research skills in the area of gender and related issues.

EXPECTED OUTCOMES

- To develop an understanding of gender related issues in research.
- To explore the available data for gender related research.
- To able to compute the gender and related indicators using available large-scale dataset.

WORKSHOP SCHEDULE

Time	Topic
09:00 AM – 10:00 AM	Registration: All selected participants are required to register for the workshop and will receive the workshop kit
10:15 AM – 11:30 AM	Gender-concepts, Indicators, and its measurements
11:30 AM – 11:45 AM	Tea Break
11:45 AM – 01:15 PM	Overview of available gender data sources
01:15 PM – 02:30 PM	Lunch Break
02:30 PM – 04:00 PM	Exploring large scale secondary data sources
04:00 PM – 04:15 PM	Tea Break
04:15 PM – 05:30 PM	Hands-On practice of Gender Data in Demography

IMPORTANT INFORMATION

Participant Eligibility Criteria: Open to PG 2nd-year students and research scholars having basic knowledge of STATA and SPSS.

Accommodation: Accommodation and travel support will be provided to participants selected for oral or poster presentations in the IIPS seminar.

No Registration Fee: Workshop participants are not required to pay any registration fee.

Local Participants: Working lunch and local conveyance will be provided to local participants.

Certificate of Participation: Participants will receive the appreciation certificates after the completion of the workshop
