International Institute for Population Sciences (IIPS) Mumbai is a premier institute of training and research under the aegis of Ministry of Health and Family Welfare (MoHFW).

Apart from the teaching activities, the Institute also conducts a large number of research projects on various aspects of population. The Institute also undertakes evaluative studies and large-scale surveys. Emphasis is given on studies related to inter-relationship of various social and economic variables of the components of population change such as Fertility, Mortality and Migration. The research projects of the Institute are mostly funded by the Ministry of Health and Family Welfare, Government of India and also by the State Governments, World Bank, United Nations Population Fund, World Health Organization, International Labour Organization and other Government and Non-Government organizations.

The Study and Action on Hysterectomy: Evidence on women's health through the Life course in India (SAHELI) will examine women's health in India(i) individual, social, and health system determinants of early hysterectomy; (ii) treatment pathways that determine women's journeys from clinical diagnosis to hysterectomy; and (iii) the consequences of undergoing hysterectomy on women's physical, mental, economic, and social well-being across the life course. We aim to use these findings to inform feasible health system, clinical, and community interventions at the primary, secondary, and tertiary levels for better access to care in the Indian context.

For the said project, field work will be carried out tentatively from 7th May 2025 to 8th July, 2025 survey approx. 200 households from 52 SSUs (villages/wards) spread in 13 Sub-districts of each state. The details of field survey is as under:
