The International Institute for Population Sciences (IIPS) team, led by Prof. Sanjay K. Mohanty, Director and Senior Professor, had the privilege of presenting the academic and research activities of the Institute, and discussing the Institute's potential contributions to the High-Level Committee on Demographic Change (HLCDC) at Hall No.10, Heritage Building, Major Dhyan Chand National Stadium, New Delhi. The IIPS team is grateful to the esteemed members of the Committee for their valuable suggestions and insightful guidance. The IIPS team looks forward to supporting the Committee's work and contributing to evidence-based policy formulation on demographic change in India under the Committee's guidance.
