

SALAM Lecture Series 5

What do we know about Labour Migration Around the World

05 April 2022 | 4.00 PM to 5.30 PM (IST)

In this talk, Prof. Melissa Siegel will specifically look at the situation of labour migration around the world, zooming into the specific situations of different regions around the world. The talk will focus on questions like: Where are most labour migrants coming from and where are they going? what sectors are they working in? Where are the main labour shortages? How is this migration gendered? How has COVID-19 affected labour migration?
